

Life in the Past

Fill in the circle by the correct answer. Then answer the questions.

1. History is about what _____.
Ⓐ is happening now
Ⓑ has happened
Ⓒ will happen

2. You can _____ to learn more about history.
Ⓐ plan events
Ⓑ read books
Ⓒ make artifacts

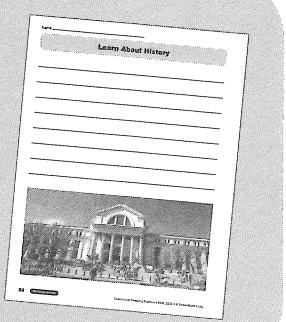

3. What is an artifact?

4. What is one artifact you could see at a museum?
Explain what it shows you about the past.

Write About the Topic

Use the Writing Form to write about what you read.

How can you learn more about people from the past?

Maps

Level 1

Words to Know list, Reading Selection, and Reading Comprehension questions

Understand a Map

A map is a drawing of a place as seen from above. A map has a title. The title tells you what place the map shows. A map has a key. The map key shows symbols. The symbols stand for different things. For example, one symbol might stand for a trail. Look at the key. It will tell you what is on the map.

A map shows the four directions. Look for a symbol that has the letters N, S, E, and W. Those letters stand for north, south, east, and west. You can tell someone how to get to a place on the map. Say: "Walk west on the trail. You will find the lake."

Map Facts

Fill in the circle by the correct answer.

Using Maps

Fill in the circle by the correct answer.

Level 2

Words to Know list, Reading Selection, and Reading Comprehension questions

Map Facts

A map is a drawing of a place as seen from above. A map shows where things are. A map has a title. It also has a map key to explain the symbols that are used on the map. The symbols stand for different things. For example, a Ferris wheel might stand for rides at a carnival. You can use the key to figure out what is on the map.

Map directions help you understand where things are. Look for a symbol called a compass rose. It has the letters N, S, E, and W. The letters stand for north, south, east, and west. You can tell someone how to get somewhere by using the directions. Say: "To find food, walk north on the path. Then go west."

Using Maps

Fill in the circle by the correct answer.

Level 3

Words to Know list, Reading Selection, and Reading Comprehension questions

Using Maps

To find a place or to find where things are located, you can use a map. A map is a drawing of a place as seen from above. A map can show one room or the whole world. A map key has symbols that stand for different things. An umbrella icon may stand for an ice-cream shop. A building may stand for a bookstore. You can use the title of the map and the key to find out which areas and places are shown on the map.

Maps use the four directions: north, south, east, and west. These directions are shown with a special symbol called a compass rose. You can use the compass rose to tell someone how to get somewhere on a map. Say: "To find the swimming pool, drive east on Maple Street. Then turn south on Ivy Road."

Assemble the Unit

Reproduce and distribute one copy for each student:

- Visual Literacy page: Juan's Neighborhood, page 31
- Level 1, 2, or 3 Reading Selection and Reading Comprehension page and the corresponding Words to Know list
- Graphic Organizer of your choosing, provided on pages 180–186
- Writing Form: Maps, page 32

Introduce the Topic

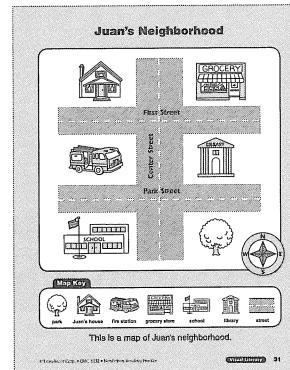

Review and discuss the features of the map of Juan's Neighborhood with students. Point to locations on the map and have students use the Map Key to identify what they are.

Read and Respond

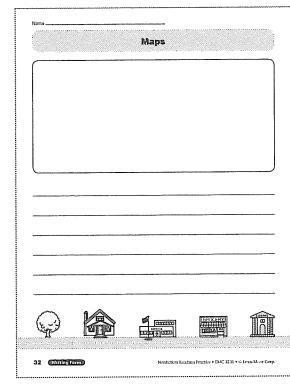

Form leveled groups and review the Words to Know lists with each group of students. Instruct each group to read their selection individually, in pairs, or as a group. Have students complete the Reading Comprehension page for their selection.

Write About the Topic

Read aloud the leveled writing prompt for each group. Tell students to use the Graphic Organizer to plan their writing. Direct students to use their Writing Form to respond to their prompt.

Understand a Map

A map is a drawing of a place as seen from above.

A map has a title. The title tells you what place the map shows. A map has a key. The map key shows symbols. The symbols stand for different things. For example, one symbol might stand for a trail. Look at the key. It will tell you what is on the map.

A map shows the four directions. Look for a special symbol that has the letters N, S, E, and W. Those letters stand for north, south, east, and west. You can tell someone how to get to a place on the map. Say: "Walk west on the trail. You will find the lake."

Understand a Map

Fill in the circle by the correct answer. Then answer the questions.

1. A map is a _____ of a place.
Ⓐ key
Ⓑ symbol
Ⓒ drawing

2. A map key has _____ that stand for different things.
Ⓐ symbols
Ⓑ directions
Ⓒ trails

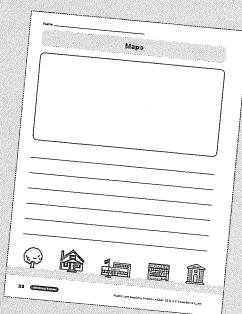

3. How are the four directions shown on a map?

4. Imagine you are the person on the trail in Lake View Park. How can you get to the hills?

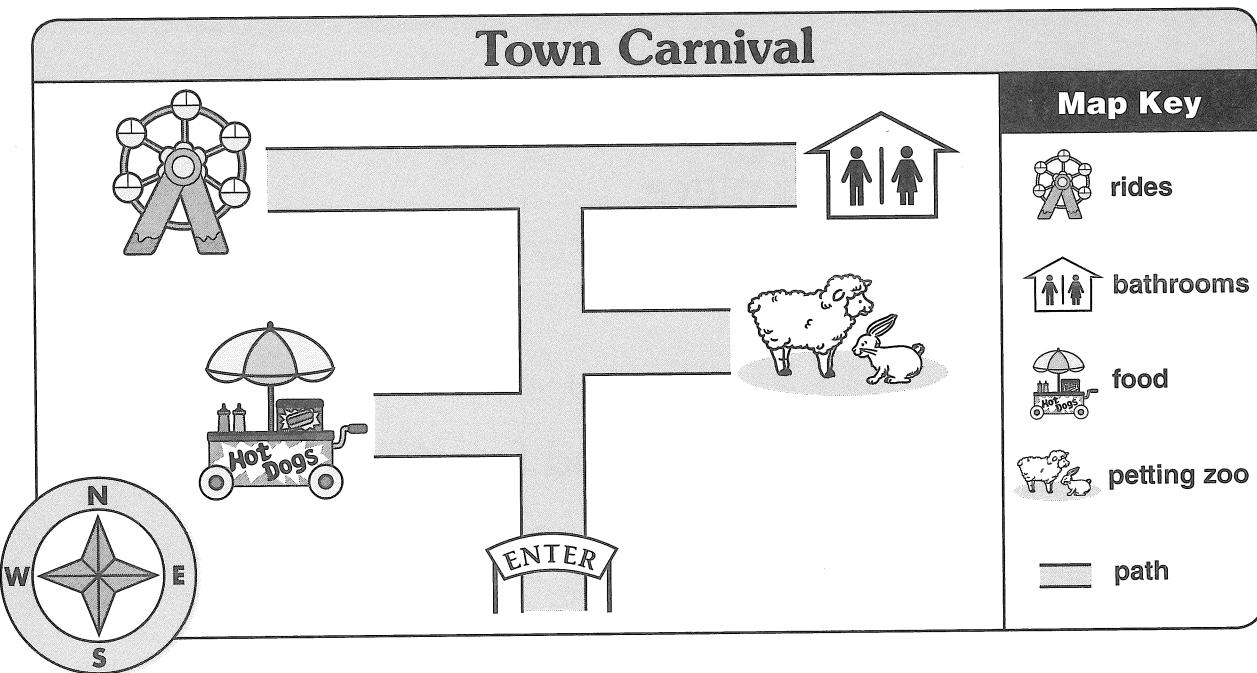

Write About the Topic

Use the Writing Form to draw and write about what you read.

Draw a new symbol to put on the Lake View Park map and key. Write to tell about your symbol.

Map Facts

A map is a drawing of a place as seen from above. A map shows where things are. A map has a title. It also has a map key to explain the symbols that are used on the map. The symbols stand for different things. For example, a Ferris wheel might stand for rides at a carnival. You can use the key to figure out what is on the map.

Map directions help you understand where things are. Look for a symbol called a compass rose. It has the letters N, S, E, and W. The letters stand for north, south, east, and west. You can tell someone how to get somewhere by using the directions. Say: "To find the food, walk north on the path. Then go west."

Map Facts

Fill in the circle by the correct answer. Then answer the questions.

1. A map shows _____.

- (A) when something will happen
- (B) how something works
- (C) how a place looks from above

2. A map _____ explains map symbols.

- (A) key
- (B) title
- (C) direction

3. What is the symbol for the food area at the Town Carnival?

4. What do the letters N, S, E, and W stand for?

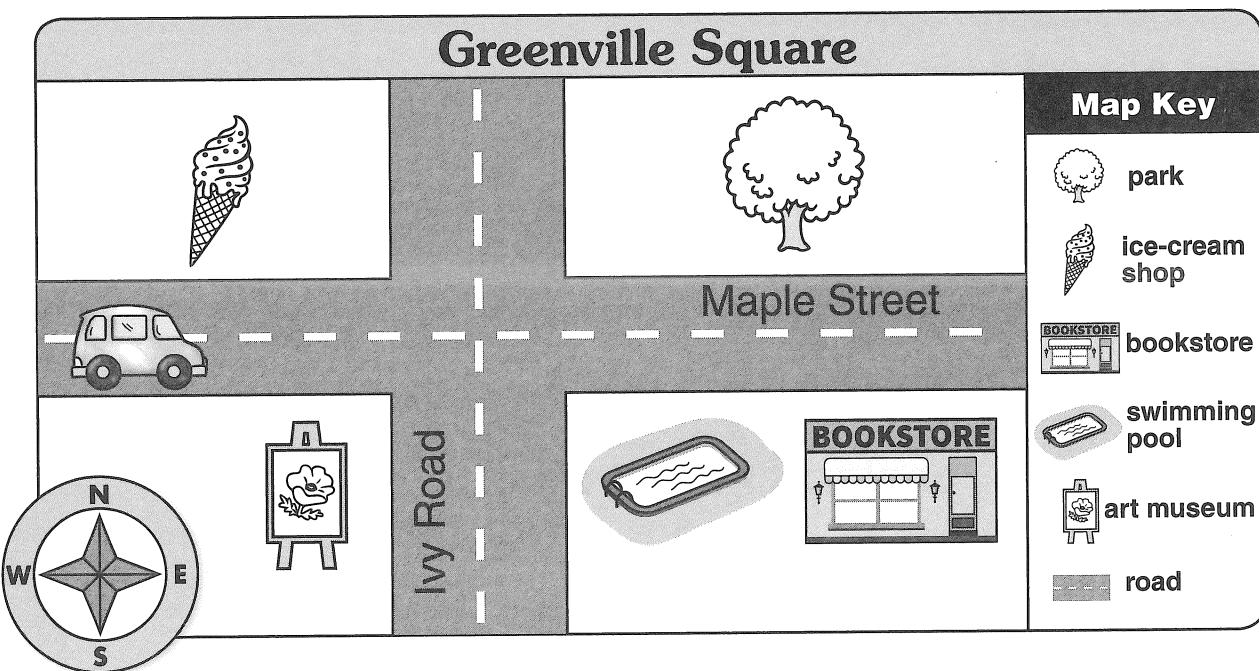

Write About the Topic

Use the Writing Form to draw and write about what you read.

Draw your own compass rose. Write why a compass rose is important on a map.

Using Maps

To find a place or to find where things are located, you can use a map. A map is a drawing of a place as seen from above. A map can show one room or the whole world. A map key has symbols that stand for different things. An ice-cream cone may stand for an ice-cream shop. A building may stand for a bookstore. You can use the title of the map and the key to find out which areas and places are shown on the map.

Maps use the four directions: north, south, east, and west. These directions are shown with a special symbol called a compass rose. You can use the directions to tell someone how to get somewhere on the map. Say: "To find the swimming pool, drive east on Maple Street. Then turn south on Ivy Road."
